ALCOM – AMM TRADING COMPANY SUPPLIER AGREEMENT

- Alcom and the AMM have negotiated a supplier agreement on behalf of all Manitoba municipality members for the next 3 years.
- Municipalities will receive an automatic 18% discount on purchases of Motorola VHF and UHF radios from Alcom; and an automatic 15% discount on Motorola VHF and UHF radio accessories.

ALCOM – PUBLIC SAFETY COMMUNICATION SERVICE

- Alcom is a designated Bell service and sales partner supporting Bell's roll-out of APX radios for the new Public Safety Communication Service.
- Contact Alcom to help you: select the right model of APX radio for your municipality's unique requirements; and to prepare a budgetary estimate for your review and approval process.
- When you are ready to order your APX radios from Bell, Alcom can process your order and will work with you to plan and coordinate your radio programming and installation requirements.

Alcom Offers Our Manitoba Municipality Customers a Full Range of Radio Communications, Dispatch, Tracking, and Worker Safety Solutions:

Emergency Man Down Detection, Lone Worker Monitoring,
GPS Tracking, and Alarm Solutions – Provided by Teldio –
and Integrated by Alcom
